Live Music Management Ltd are the UK's leading provider of party bands and DJ's. We are one of the major suppliers to the High Street with a sole agency agreement to supply entertainment to Walkabout Inns, Jongluers Comedy Clubs and Bar Risa. We are also a major player in the holiday camp market and to Universities and Colleges.

LMM is staffed by a dedicated team many of whom come from a performance background. We understand that your event is special and we are there to help and guide you so that everything runs smoothly.

By choosing LMM you can be sure that you are dealing with a reputable agency. The agency that blue chip companies and major high street brands use for their entertainment.

We have a personal relationship with all our acts. They have been vetted by LMM and are guaranteed to be of the highest standards both in terms of performance and with regards to professional conduct. Our acts are flexible and committed to providing a first class service.

LMM service venues and events throughout the UK and we have acts based everywhere from Scotland down to Cornwall. Many of our acts travel both here and abroad to perform shows.

Our pledge

- LMM will always supply the right act at the right price.
- We would rather turn work down than offer you an act you will be unhappy with.
- Our business has grown through recommendation and through maintaining long-standing contracts.
- We hope that you too will be recommending us to your friends and associates in the future.
